WAR WAS WON - BUT NOT THE PEACE

CAN U.S.

A pictorial digest of
WALTER LIPPMAN'S
 celebrated new book
"U. S. FOREIGN POLICY
-Student of the Brooklyn-

Approved from the Author's Preface: "Every American should read this book."

HAVE PEACE?

What is the meaning of peace? Is it the absence of war? Or is it the presence of justice? The author of this book, Walter Lippman, asks these questions and offers his own answers. He points out that peace is not a static condition, but a dynamic one that requires constant effort and vigilance. He argues that the United States has a special responsibility in the world to promote peace and justice, and that this responsibility is not limited to the United States alone, but extends to the entire world.

WALTER LIPPMAN'S JOURNAL

U.S. WANTED TO STAY OUT

NO GREAT WARREN CAN REMAIN ISOLATED

AFTER VICTORY CAN THERE BE PEACE?

YES, THERE CAN BE PEACE
