TO SPEED OUR BOYS HOME!

Help shorten the war—save American lives—
with a precious fighting weapon—**FOOD**

Score yourself and your family. Do you do these things to the
best of your abilities and opportunities?

PRODUCE as much food as you possibly can?

- On the farm?.....
- In the Victory Garden?.....

CONSERVE your food?

- By wasting nothing—cleaning
the plate?.....
- By preserving food in your
home?.....
- By substituting plentiful for
scarce foods?.....
- By serving the right foods for
strength and health?.....

SHARE your food?

- By sharing it willingly with our
fighting men and fighting
Allies?.....
- By accepting rationing cheer-
fully?.....
- By buying no more rationed
food than you really need?

PLAY SQUARE with food?

- By always turning in your
stamps when you buy
rationed foods?.....
- By paying no more than top
legal prices?.....
